- ✓ Precision Tune-Up For Air Conditioning
- ✓ Professional Cleaning, & Safety Inspection
- ✓ FREE \$59.00 Diagnostic Fee
- ✓ Additional savings on promos
- ✓ 10- 15% Repair Discount
- ✓ Free 1lb Refrigerant Top-off

The Equipment Protection Plan Checklist

1. **Check Ignition System** to ensure reliable operation on demand
2. **Clean & Inspect Furnace Heat Section** to ensure safe operation and the absence of cracks from metal fatigue
3. **Verify Flue Draft** to ensure dangerous gas by-products are properly venting to the outdoors and flue pipes are free from obstruction
4. **Inspect Flue Pipe** to ensure no corrosion is present which can lead to cracks and the introduction of dangerous fumes into your home
5. **Calibrate Thermostat** for accurate control and to prevent system from running longer than necessary, increasing utility usage
6. **Test Refrigerant Charge** to ensure optimum levels leading to lower utility usage and extend compressor life
7. **Test Capacitors** to ensure reliable operation and continued compressor and motor protection
8. **Inspect & Test Controls & Safeties** to keep operating costs low and prevent failures
9. **Clean or Replace Filters** to reduce energy use, reduce compressor strain, improve indoor air quality, and improve comfort
10. **Check Air Flow** to ensure proper air flow across the coil for proper humidity removal and reliable operation
11. **Visually Inspect Ductwork** to identify obvious leaks, which reduce system efficiency and increase utility expense
12. **Tighten Electrical Connections** to ensure uninterrupted system operation
13. **Measure & Record Voltage & Amperage** to identify baseline operating conditions
14. **Clean Outside Condensing Coil** to restore heat transfer efficiency and reduce utility cost
15. **Clean Condensate Drains** to prevent water damage and the potential for mold formation
16. **Clean electrical compartment** on condensing unit.
17. **ALL PRO AIR** cash back towards replacing equipment in the future.
 - \$50 per year on standard plan
 - \$100 per year on Premium plan

Standard Plan includes 1 visit per year. Servicing both the air conditioner, and the furnace.

PREMIUM PLAN includes 2 visits per year. One visit for the air conditioner, and one visit for the furnace.

Return Your Comfort System To "Factory Fresh" Conditions

When you invest in the Equipment Protection Plan, we give you the option of either 1 visit per year, performing a service on both the heating and cooling systems in one visit; or with our PREMIUM plan two visits a year, once pre-summer for the air conditioning, and once in the fall for the heating. Plus....

- + We waive our diagnostic fee on all repairs, a \$59.00 value.
- + We offer guaranteed prices on all repairs before work begins, no matter how long the repair
